A cocktail party to celebrate Henschel's 70th birthday was held at the Brynmarion Country Club on

COCKTAIL PARTY IN JOHANNESBURG.

An art exhibition of work by old Henschelians and members of the Henschel Family was held in the Mary Jaggs Hall in connection with the 70th Birthday Celebrations. It was opened by Marilyn Martin, Director of the National Gallery, on Thursday 15 February, and ran until Saturday 15 February. It was well patronized by visitors to the school for the birthday celebrations and a percentage of money raised from the sale of wines went to the OHA Bursary Fund.

OLD HENSCHELIANS' ART EXHIBITION

A school concert, written and entered by the standard 6-8 classes, was prepared for the school at 7.15. The visitors had left. I enquired Henschel's library and concert would display and was great fun for the participants and audience alike. In the evening there was a cocktail party for recent Old Henschelians. A collection was conducted with a singing service in the school. (Clapart on Sunday morning, well attended by Old Henschelians.

After the service the birthday cake was cut by Donald Jackson. William Jaggs's grand-daughter, Sheila Henderson (nee Baker). Everyone was invited to eat in the beautifully decorated room at the school and had the opportunity to admire the many exquisite flower arrangements. Henschelians present gave their own presents and had many who had not been back to Henschel since writing home. Henschel's present was given to the school. It was particularly good to see so many Old Henschelians present. The concert was quite brilliant. It was particularly good to see so many Old Henschelians present. The concert was quite brilliant. FOUNDERS' DAY CELEBRATIONS 14 FEBRUARY 1997

Founders' 75th birthday celebrations culminated in the Founders' Day Festivities on 14 February. Appropriately, the focus was on a thanksgiving service held on the Prep School Hockey Field. The Archbishop of Cape Town, the Most Rev. Mphahlele Ntseke, who he visited the school. Many parents and visitors, many dating about 2000, were moved by the music of those people who have made Henschel the wonderful school it is today.

celebrating 12th March, 1997, for Old Herzliha's being in Gushery. We were very fortunate to have with us Mrs Parvula Devi, introducing one of her final functions prior to her retirement in the city of the first term. We were also delighted to welcome the newly appointed Ambassador, Mrs Di van Zyl. Those who attended enjoyed a particularly vibrant late summer spirit and were well regarded with a most enjoyable evening with much cheer and receiving of old friendships. Regrettably, however, the unfortunate loss due to a significant proportion of "no-shows", which meant that we were unable to achieve one of our main objectives of making a donation to the Orla Pursey Fund. In view of the fact that there are over 120 Old Herzliha's living in England, the type of fund, donated on a regular basis, should be seriously considered.

ANNUAL LUNCHEON 1997.

Following the success of the 1996 luncheon that was held in the school dining-room it was decided to hold it there again. It was held on Wednesday 13th November and was restricted to Old Herzliha's. The lunch was held in the previous year but had been open to the Herzliha Family, since by parents of pupils as well as Old Herzliha's.

A delicious menu was served consisting of home baked ham, potatoes, salads, vegetables, sweet corn and cranberry. The course over 100 people present was judged to be the noisiest well enjoyed luncheon in a long time. It was good to see a well-attended luncheon of past pupils making it up from those who had not attended in 1996 to others who had over 50 years ago!

The lunch, usually held in February but postponed owing to the 25th birthday celebration, was held after the lunch, followed by an address by the Honorary Secretary, Mrs Di van Zyl.

The request for pleasure of giving in the year of the present day environment of education and resources available to equip the girls in the year of the present day environment of education and biology. She expressed the necessity of appointing a committee to guide the only students and sports, but also to ensure in the continuity. The human aspect of friendship, sharing and caring is very important as well as trust between parents and staff and continuity between staff and girls. There is no doubt to which the girls' careers, staff and staff should be a focus on excellence.

On a practical level Mrs van Zyl said that the luncheon which would be gradually phased out. She said that special effort is made to guide the past pupils of the school.

We were pleased to have with us Mrs Parvula Devi, just headmistress, who is thoroughly enjoying her retirement with her husband in Gushery.

Our special thanks go to Mrs van Zyl for her assistance in the catering staff, past and present. Rodriguez and Thyra Smith, to Ann Sanders for the beautiful flower arrangements, to the committee for and more special thanks were given towards the meal, and to all those old Herzliha's who sold tickets for the lunch and made up a total of R=1000 was raised for the Pursey Fund.

The year the lunch will be held on Wednesday 13 November a week later than last year to ensure making those writing to us.

REFLECTIONS.

1997 REFLECTION

It is so easy to get lost in the maze of the world and to get lost in the maze of the world. (Kingsley), special thanks to them and also to Lady COCHRAN (former) and Mrs JIMMIEY (former) for their hospitality.

When we started planning our 10-year reunion we never thought we would be able to gather together so many of our class from here and far. At the last minute Mrs MACCORMACK and Heather MACLEOD (former), who had called on the possibility of coming from England, were able to join us after all.

The reunion was held over the weekend of 17 - 20 October and started with a cocktail party at the school, hosted by Mrs Di van Zyl, who gave us a charming welcome. We were joined by three of

outstanding. Hilary, Frances, Audrey, Wendy, Betty and Beryl. There was great excitement and talks of plans for the future. We were taken on a tour of the buildings and adjacent to the remarkable changes, the Higher Resource Centre, the sports centre and the chapel. The evening dinner was at the Silwood Kitchen, where we had a new, delicious, elegant and charming second dinner made possible by the "Funding", Alida PALLI (1962, Williamson) and her daughter (Barbara WILKINSON (DRO)). The "new level" was high as we considered and cross-examined one another on the past 40 years.

On Saturday Lady CORDELL (Mrs) invited us to a wonderful lunch at her home in Cranborne. The excellent summer lunch was prepared by lady's daughter, Susie SMITH (1962, Mrs). We all relaxed fully as evening was just perfect with the weather. The pitch of the common ran close to a streamside with the setting of stars being magnificent on a cloudless day. On Sunday we went to Jane HENKLEY (Queen) for lunch at her home, Rosede Farm in Cranborne. The two gentlemen were included in the invitation and four joined us as well as the 50-year old members of Audrey Withiams (Tony) and Wendy SMITH (Mrs). There was a night party before which as a group of five had gone to the pub and had had the drinks and were in their own way very happy. I was when they finally arrived at Jane's house. Again it was a beautiful day and we had set tables on the steps and served a most delicious lunch. Lady CordeLL recorded everyone's message on video and she WILKINSON (DRO) said it was good speech in thanks to Jane and for the whole weekend.

We didn't have to say goodbye so we had one last meeting for breakfast at the 40th anniversary Cottage on Friday morning, which is of us was able to attend. There had been such a number of people over the past few days and we are in touch with one another from now on, and perhaps have another reunion before our 50th. It was a great way of meeting after all these years. We were sorry that the schoolmates couldn't be there and assure them that they were given by Mrs. Deborah (Mrs) (Henderson) who was staying outside from her home in Cranborne and work in Cranborne. Health: MARGARET (Hilary) who sent us messages from hospital in London where she was undergoing a big operation. Carol VALLEY (Thompson) of New Hampshire (USA) who had been in Cape Town in February. Thomas HIGGINS (Hadden) who couldn't get away from Cranborne in Kenton. Ely and Barbara WILKINSON (Beck) who was unable to come from Vancouver.

Those who joined in the fun were: Hebe, Yvonne (Gail), Sue MACDONALD and Felicity SMITH (Mrs), all from the UK; Conna HEDDEN (Mrs) from Wiltshire; Margaret BARROW (Sutton) from Essex; Colin PLAIN-HUGHES (Mrs) from Hants; Robert GROVES (London) from Hertfordshire; WILLIAMS (Tony) from Kent; Neil NIKAMBER (Fisher) from Georgia; the rest of us from Cape Town, namely: Mrs JEFFREY (Mrs), Frances MICALLE (Barbara), Robert WELSH (Walter), Anne KIRBY (Lorraine), Heather MARR (Barbara), Lady COCKER (Janet), Barbara ROSS (Gail) and Caroline SYKES (Cynthia).

1977 REUNION

Plans by Caroline SYKES (Cynthia)

The class would like to thank Mrs Simpson (Barbara) and Chloe Fowles (Alison) for their hard work in organising a most successful reunion. The reunion was held over the weekend of 11 - 16 February and coincided with the 40th birthday celebrations of the school. A group of us attended the 100th Day service on the hockey field followed by a part of the school where we were most impressed with all the new facilities. In the evening there was a dinner at the home of Helen (DORIS) (Hicks), where the food was outstanding, the music level and company even better and where the words were carefully not have been enough to allow this fabulous bunch of old schoolmates! Needless to say, the party ended in the small hours of Sunday morning. We were delighted that Dr Silberbauer called in to join us out of a class of 45. It was wonderful to see her again. On Saturday Mrs Maynard generously offered her home to us for a family day. Barbara, children

and old Hirschbarts enjoyed one of those special Cape Town days around the pool, tanning, and tanning Katie joined us and, as a member of us was sporty, quick, and a member of hockey club,

James came and swimming pool dominated the conversation.

The turnout of the class of 1977 was outstanding and we thank Rose MARY SMITH (Brisbane),

Karen KRONIC, Sue Lind and Sandy GALT (Dubber) who came from Johannesburg

OBITUARIES.

BAILEY, Barbara.

(Article by Gaylene Hugh - Jones (Starline).)

I was a pupil at Letchford when Barbara Bailey came to teach in the Kindergarten in 1957. She made those early school days very happy, and went on to become a very dear and valued friend. Now she lives on 21 November 1966, exactly after her 50th birthday. She was so full of fun, kind and thoughtful, a sympathetic listener who always wanted to know how her life was turning out. She will be greatly missed.
