

OLD HERSHELLANS  
ASSOCIATION

**1993**  
**NEWSLETTER**

Herschel goes from strength to strength. The 1992 Matric results continue to improve, with nine "A" aggregates - a truly outstanding result and a fine tribute to a great school. A milestone in the school history must be the opening and dedication of the new Baxter Resources Centre in August. This functional yet quietly elegant and contemporary addition to the school complex, not only enhances the beauty of the school but epitomises all that is excellent in Herschel. This will now allow the conversion of the library, as you knew it, to a school chapel, which will be a beautiful and much-needed addition to the school. To some, this may seem a break with tradition, but we should remember that the excellence and continued growth of our school resides in just this sort of flexibility to meet the contemporary needs, while remaining steadfast in our traditional Herschel values of education, care, courtesy and faith.

Another highlight last year was the staging of a musical cabaret 'Under the Her Tree', commemorating 70 years of Herschel, including the history of the school, interspersed with songs from the different decades. Not surprisingly, with every evening being warm and balmy, it played to full houses at each performance. It was very well attended by Old Herschelians and it was gratifying to see such support. Commemorative mugs (R10), aprons (R25), recipe books (R40) and bridge cards (R40) are still available, cheques payable to Herschel Association c/o Di Burns.

Please remember, this is your newsletter and needs your support - please notify Di Burns of changes in address and let's have your news.

## ANNUAL LUNCHEON

Lynn Reid once again organised an excellent function. It was held at Kelvin Grove on Thursday 17th September, and forty people enjoyed a three-course meal and wine. The guest speaker was Cathy Knox, former editor of *Living and Excellence* magazines, former assistant editor of *Fair Lady* and author of recently-published "*Victorian Life at the Cape*". She entitled her talk, "How to climb a volcano in long petticoats". She gave an entertaining and interesting talk in a relaxed manner. In fact the whole ambience of the lunch was a friendly one and it was very pleasing to see so many new faces there. We were particularly delighted, in Herschel's 70th Jubilee year, to have Jean Lawrence (Searle) with us, she was a pupil at Herschel on the first day the school opened in 1922, and was Head Girl in 1926.

## 1952 REUNION

The reunion of the matric class of 1952 was organised by Norma Marrell (Bettison) and Sarah Campbell (Maydon) and took place over the weekend of 20-22 March 1992. It turned out to be a most memorable weekend. Those present were Sarah Campbell (Maydon), Norma Marrell (Bettison), Virginia Meerberg (Brook), Viv Hodgson (Day), Karen Preston (Langerman), Ann Platt (Montgomery), Jenny Bickle (Rudland), Ingrid Macaskill (Schuman). We met on Friday at school for a most moving short service in the Crypt Chapel. After the service we met in Pam Duff's office for a glass of wine and a look at old record books and photographs before going on a tour of the school, stopping many times to marvel at the luxury that the present generation appear to enjoy as opposed to our Spartan existence! We eventually tore ourselves away and came to my home for a casual supper and lots more chat and exchanges of photographs. Our in-laws were incredibly indulgent but seemed to quite enjoy themselves too! Ingrid, I and our husbands were the only ones to have breakfast at Kirstenbosch the next morning but in the evening we all, except Karen and Ginia, met at the Alphen Hotel for dinner. With the gracious setting, delicious dinner and impeccable service laid on by Alphen, this proved to be a worthy highlight of the weekend.

On Sunday we all, except Ann, whose last Sunday it was before returning home on the Concorde, relaxed under the oaks at Spier Wine Farm before going our various ways feeling truly enriched by the opportunity of renewing such old and firm friendships.

News of those present:

Virginia Meerberg (Brook) has recently retired from her job at the Technikon Library. She lives in a flat in Rondebosch and is very happy to have more time to enjoy life.

Viv Hodgson (Day) had recently recovered from a spinal fusion. She lives at Lourensford Fruit Farm where her husband John is the manager.

Karen Preston (Langerman) helps her husband John in his attorney's practice in Simons Town.

Sarah Campbell (Maydon) lives most of the time at Somerset West but she and Robin are making good use of their delightfully renovated Victorian cottage in the Gardens, particularly as both their daughters and two grandsons are in Cape Town.

Ann Platt (Montgomery) lives in the UK most of the year but she and Geoffrey come out to South Africa every year to spend time in their bungalow at Bakoven.

Jenny Bickle (Rudland) runs the administrative side of the family farm with her children. She stayed with her mother in Cape Town who was also able to join us for Sunday lunch.

Isgrid Macaskill (Schomer) came down with Don in their caravan. They live in Pretoria where Isgrid leads a busy life helping Don and working on several charities. Two of her children have emigrated to USA.

Norma Morrell (Bellian) and David divide their time between Cape Town and Hermanus. She gave up teaching at Herschel in 1991 and is enjoying being a free agent!

- Report by Norma Morrell.

## 1967 REUNION

Patsy Louw (Brailey) organised the 25-year reunion over the weekend 27-29 November. Patsy reports:

There were 14 members of the class present at a cocktail party at Herschel given by Mrs Duil. For some of us it was the first time we had been back to Herschel after leaving 25 years ago. We had great fun going through the House Magazines and were then taken on a tour of the school. The boarders were keen to see the bathrooms where they used to swoot for exams, by torchlight, huddled in their duvets! We were all very impressed with the beautiful new theatre and resources centre. We went on to dinner at Jenny du Preez's (Emslie) house. We were all so engrossed catching up on the last 25 years that we could hardly bear to be interrupted to have supper! Helen Henderson came from France, Linda Holme (Townsend) from Zimbabwe and Jeanne Rawden (de Wet) from Johannesburg. We received overseas calls from Lynne Parker (Cunningham) in USA, and Ginger Jackson (Galbraith) and Gill Best (Baigrie) in England.

On Sunday eight of us, together with husbands and children, had a very relaxed braai at Patsy Louw's (Brailey) house. We all thoroughly enjoyed ourselves and agreed that we must not wait another 25 years before getting together again!

Those present were: Annabel Townsend (Barlow), Patsy Louw (Brailey), Jeanne Rawden (de Wet), Jenny du Preez (Emslie), Lyna Reid (Harris), Helen Henderson, Anne Cooke (Lomax), Angela Babaya (Mauris), Rosalind Owenstone, Susan Terrapon (Simpson), Rosemary Quinan (Taylor), Linda Holme (Townsend), Libby MacRae (Trevor) Jones and Cheryl Neave (Wale).

## 1982 REUNION

The reunion of the matric class of 1982 was held on Saturday 18th April at the home of Mrs Stamper, mother of Lynn Stamper, in Simonstown. Twenty-six girls attended the reunion, which started with tea, scones and cream (fresh from Lynn's farm) at 3.30 pm. Miss Geldard, Mrs McCormack and Mrs Steytler were able to attend the tea and enjoyed meeting the girls again, although they were amazed at how much many of them had changed! The noise level was high throughout the afternoon as we recognised old faces and caught up on everyone's news. Towards the evening some people left and others arrived for drinks and snacks. Margie Orford's daughter attended the reunion and received a lot of attention from everyone, including the dog! We were able to sit outside and talk about our school years, while watching the lights over Simonstown Harbour. The last girls left at 8.30 pm after resolving to hold another reunion in 10 years time.
